How do we collect this personal information?

All the information collected is obtained directly from you. This is usually at the point of your initial registration. The information is collected via membership forms or online contact forms. The legal basis for collecting and storing your information relates to the contractual relationship that you, as a member, have with our U3A. In order to inform you about the groups, activities and events that you can access as a member, we need to store and process a certain amount of personal data.

How do we use your personal information?

We use your personal information:

We'll send you messages by post, email, other digital methods, and telephone to advise you of U3A activities.

With whom do we share your personal information?

We may disclose information about you, including your personal information:

- If we have a statutory duty to disclose it for other legal and regulatory reasons.

Where we need to share your information outside of the U3A we will seek your consent and inform you with whom the information will be shared with and for what purpose.

How long do we keep your personal information?

We need to keep your information in order to provide our services to you. In most instances, information about your membership is not stored for longer than 12 months. Exceptions to this are instances where there may be legal or insurance circumstances require information to be held for longer whilst they are investigated or resolved. Where this is the case, member/s are informed how long the information will be held and when it is deleted.

How your personal information can be updated or corrected

It is each member's responsibility to ensure that the information we hold is accurate and up to date.

To ensure that the information we hold is accurate and up-to-date, members are encouraged to access the Chess Valley U3A membership database regularly to review their information and to make corrections as necessary.

If you are unable to access the Chess Valley U3A membership system, you may inform the Membership Secretary of changes to your personal information or ask to view the information the U3A holds on you. There may be certain circumstances where we are not able to comply with this request. This includes any information that contains references to other individuals or for legal, investigative or security reasons. Otherwise we usually respond within 14 days of the request being made.

How do we store your personal information?

We have in place a range of security safeguards to protect your personal information against loss or theft, unauthorised access, disclosure, copying, use, or modification. These security safeguards include technological measures such as Secure Socket Layer (SSL) encryption, which creates a secure connection with your browser when you register and log in to our online services.
